

Intern - Political Analyst/Criminologist

Job Brief

The Political Analyst/Criminologist will work closely with our information & research team of experts to conduct research, analyze data, and provide valuable insights into political dynamics, as well as safety and security related to the electoral processes globally. This internship offers a unique opportunity to gain hands-on experience in the field of political analysis and criminology during a year with more than 65 countries worldwide experiencing elections.

Duration:

6 months

Duties & Responsibilities

- Research political trends, electoral systems, and security risks affecting elections.
- Analyze data from various sources, including government reports, academic studies, and news articles, to identify patterns and trends.
- Assist in developing analytical frameworks and methodologies for assessing political and security risks related to elections.
- Prepare reports, briefs, and presentations summarizing findings and recommendations for internal and external stakeholders.
- Collaborate with team members to brainstorm ideas, troubleshoot problems, and develop innovative solutions to complex issues.
- Stay informed about current events, political developments, and criminological theories relevant to our work.

Qualifications

- A background in political analysis
- Currently enrolled in or recently graduated from a Bachelor's or Master's program in Political Science, Criminology, International Relations, or a related field.
- Strong analytical skills and attention to detail, with the ability to critically evaluate information and draw meaningful conclusions.
- Excellent research skills, including the ability to gather and analyze data from diverse sources.
- Demonstrated interest in political analysis, criminology, and elections.
- Ability to work independently and collaboratively in a fast-paced environment, with a strong commitment to meeting deadlines and delivering high-quality work.
- Female applicants are highly encouraged to apply.
