

Pitch Deck Consultant Job Description

Job Brief

We are seeking a talented and results-driven Pitch Deck Consultant to assist in developing compelling and visually stunning presentations. This is a short-term, high-priority project that requires creativity, efficiency, and a keen understanding of presentation dynamics.

Key Responsibilities:

- Collaborate with the team to understand and refine the core messaging and value proposition.
- Design and create visually engaging slides using PowerPoint, Canva, or similar tools.
- Write clear, concise, and persuasive copy tailored to the target audience.
- Incorporate animations and transitions to enhance the presentation's impact.
- Review and provide feedback on the structure, flow, and content of presentations to ensure they align with the client's needs and objectives.

Qualifications:

- Proven expertise in creating professional and persuasive presentations.
- Strong proficiency with presentation tools such as PowerPoint and Canva.
- A basic understanding of the security industry, especially Close Protection/Executive Protection, is highly desirable.
- Excellent written and verbal communication skills.
- Strong attention to detail and a good eye for design.
- Exceptional time management skills and the ability to meet tight deadlines.
